Welcome Back! La Jolla Shores Surfers, Sponsors and Supporters

Welcome to the 10th Annual La Jolla Shores Menehune Surf contest. These last 10 years of organizing this incredible event have been a privilege to be a part of. What started out as an enormous effort from a just a few of us, has become a true village effort for the good of the whole tribe. We are so grateful for all the returning competitors as well as the contributions and support our sponsors have shown us. I want to thank everyone who has contributed in their own unique ways. This includes our generous sponsors, hardworking volunteers and the members of the La Jolla Shores Surfing Association. I also want to thank all the competitors at this event for assisting us with our community outreach endeavors. All of you have made it possible for our club to donate proceeds back to the community where our donations make a difference. Organizations such as the Sundt Memorial Foundation, which inspires kids to seek out their “natural high” instead of turning to drugs is just one of the many charities we supported in 2009. Check out the other organizations we have helped out in this event program.

Please continue to show your passion for surfing by taking care of our ocean, always showing a positive attitude towards your fellow surfers, and demonstrating good sportsmanship at all surf contests. Volunteers at our event: please look around and appreciate your hundreds of hours of efforts and labor towards making this event happen. From the home

made trophies to the special goody bags and BBQ lunch, your input makes this event happen! Without your help, this event would not happen. And finally for all the sponsors who get the chance to participate and witness this incredible event, please acknowledge that without your generous donations, this event would be very different.

Thanks to everyone for making a difference at La Jolla Shores and in the entire surf community.

New Year's Day 2010

Who We Are

The La Jolla Shores Surfing Association is dedicated to the celebration and preservation of our home break, La Jolla Shores Beach. To this aim, we work alongside local planning groups including the La Jolla Shores Association and San Diego Park and Recreation. We celebrate the good life at our beach by holding annual surf contests, beach parties, and beach clean-ups for members and friends. We support a range of charitable organizations with volunteers and annual donations. We are young and old, men and women, families and individuals, shortboarders and longboarders, surfers and water-lovers.

OUR STORY

The La Jolla Shores Surfing Association was started in the late 1960's by surfers and community members determined to protect their surfing life at La Jolla Shores Beach. In the late 1970's, their mettle was tested when negotiations between the City of San Diego, San Diego lifeguards, and the LJSSA halted an attempt to prohibit all surfing at the Shores. In 1996, the LJSSA (formerly the La Jolla Shores Longboard Association) successfully fought attempts to shrink the size of the Shores surf zone. Over the years, LJSSA has broadened its scope and taken a stand on a variety of threats to the Shores way of life. Recent issues addressed by LJSSA include the installation of parking meters in the Shores parking lot, the renovation of Kellogg Park, the effective regulation of surf schools operating at La Jolla Shores, and plans to rebuild the Lifeguard tower.

Over the years the LJSSA name changed. At times, its membership and events schedule waned. However, in 2004 a strong new board of directors resulted in a vigorous club with 100 dues-paying members, LJSSA Surf Team Riders,

and a quarterly newsletter, the Shorerider. The LJSSA Annual Menehune Contest is becoming a San Diego beach classic. Today, we are proud to represent one of the most beautiful beaches and breaks in Southern California as a surfing club respected by the local community and by surfers worldwide.

SURF TEAM

The La Jolla Shores Surfing Association fields a surf team to compete in the Coalition of Surfing Club contests in Southern California. We participate in contests in Malibu, Oceanside, Church's, Encinitas, and La Jolla Shores, hosted by our surfing brethren in other surf clubs. We're proud to note that our surf team finished 8th overall in the 2009 Coalition Club standings. We welcome ALL surfers regardless of ability. The opportunity to surf in the Coalition Contests is a great way to grow as a surfer, surf at some great breaks, and meet other surfers who share your passion for waves. While the competition is focused on longboarding, most contests now have shortboard heats as well. Please contact Matt Branco, surf team captain, to find out more about competing for LJSSA: ljshoreslokal03@gmail.com. Check out the coalition website to learn more about the clubs in the coalition: www.surfclubs.org.

JOIN US...

The La Jolla Shores Surfing Association is open to all surfers, regardless of ability or age. We welcome newcomers who love the beach as much as we do. You're all invited. Please visit our website to get more information, or stop by the raffle booth to get an application for membership. www.ljssa.org. ■

2010 Menehune Surf Contest

Gathering of the Crew for a Good Cause

*Thank you for supporting our fundraiser today!**

RAFFLE ITEMS:

\$1.00 tickets or \$5/6 tickets

SURFBOARDS IN RAFFLE:

*Event Proceeds benefit local charities. Please check out Page 10 in Event Program for a complete listing of 2009 charity recipients.

La Jolla Shores Surfing Association Sponsors Youth Surf Art Show

Top entries on display during April at La Jolla Riford Library

To promote creativity and youth-inspired surf designs, the LJSSA sponsors an annual art contest to inspire local students to submit art to be used on the contest t-shirts. The top 45 entries of the surfing-inspired artwork can be viewed through the end of April in the Youth wing of the La Jolla Riford Library & Jacobs Annex. The library is located at 7555 Draper Avenue in La Jolla.

Over 225 entries were received from county middle and high school aged youth, ages 18 and under. The grand prize winner was Christopher Barraza, a Senior at University City High School. Christopher received \$100 cash first prize, in addition to having his art used for the surf

contest t-shirts. This year, LJSSA is proud to be hosting the art contest together with sponsor Ando and Friends, an art driven clothing collection from the artist Andy Davis, the creator of brands "free" and "bird" and his friends. The guest panel of art judges selected Christopher's work because it best represented the surf culture and environment at La Jolla Shores, in addition to being a well-executed and original piece. More information about the art exhibit and the surf contest can be found on the La Jolla Shores Surfing Association's website: www.ljssa.org. ■

ando & friends

Artwork above from left to right: (sun, wave, surfer) Sage Martin, University City High School; (keep surfing) Despues Green, Age 10, Hancock Elementary; (menehune) Chloe Elliott, Muirlands Middle School; (crab) Matty Taylor, Muirlands Middle School, 2nd place overall.

Congratulations to Chris Barraza of University City High School, our Art Contest Grand Prize Winner of 2010!

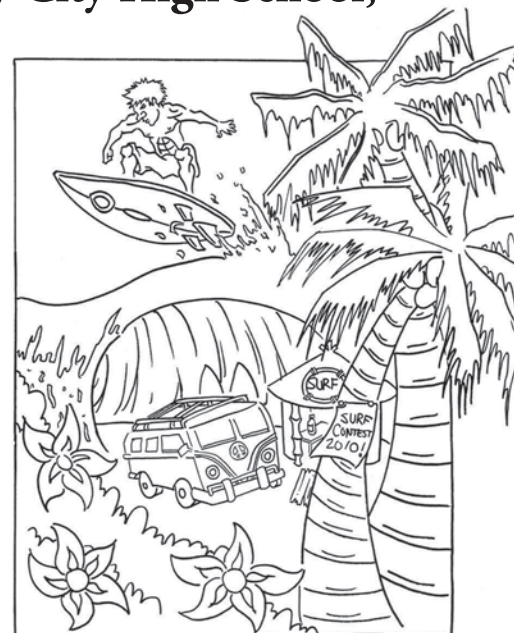

I am Christopher Barraza, 17 years old turning 18 in June, and I'm a senior currently attending University City High School. I am in the VATA (Visual Arts, Technology, Theatre Arts Academy) program there and it is how I actually found out about this contest. I have been drawing ever since I can remember and aspire to have a career in art when I am older.

I will be going to college next year majoring in the arts. I like drawing, being outside and active either playing sports or just chilling with friends, listening to music, and sleeping.

I got inspired to make that piece of artwork because I am broke and need money, but mostly it was because even though I do not surf I enjoy watching it and I have plenty of friends that do surf so I support it and want to keep watching.

I don't really have much more to say but thanks for giving me the chance to participate in this competition and it was a nice opportunity.

Chris Barraza. 2010

Gathering of the Crew for a Good Cause

Ten years ago when this contest was founded, our surf club members wanted to raise funds for charitable causes...thus the subtitle “Gathering of the Crew for a Good Cause” was initiated. In addition to our favorite and long standing commitment to the Toys for Tots Holiday Toy Drive, we’ve tried to focus on surf-related and local causes that support the ocean, our community, our kids, and our beach. We’re proud of this tradition, and over the past few years, we have given over \$12,000 to non profit charities. Please stop by the raffle booth to pick up more information on these charitable organizations and projects, including some great stickers. Here are the good causes we supported in 2009 and 2010:

Door of Faith Orphanage

Located in Baja, Mexico, this orphanage provides the best home possible to the children entrusted to their care to become one of the largest orphanages in Baja caring for well over one hundred children. Our club donated money to the Door of Faith in 2009, but we’d like to plan a trip there to visit the children. If you’re interested, please get involved! www.dofa.org

Rell Sunn Educational Fund

This non profit educates the public about sportsmanship and the environment, combats juvenile delinquency, and provides support to battle breast cancer. Inspired by the famous Hawaiian surfer and “Queen of Makaha” Rell Sunn, the foundation supports the Annual Rell Sunn Menehune Surf Contest for hundreds of children in Hawaii. They also donate funds to the cancer wing at the Kapiolani Hospital on the island of Oahu in Rell Sunn’s name. We are proud to welcome Jan Correia, daughter of Rell, to the beach today! www.rellsunn.com/foundation.htm

SurfAid International

The mission of SurfAid International, a non-profit humanitarian aid organization, is to improve the health of people living in isolated regions connected to us through surfing. www.surfaidinternational.org

San Diego Coastal Keeper

San Diego Coastkeeper protects the region’s bays, beaches, watersheds and ocean for the people and wildlife that depend on them. They balancer community outreach, education, and advocacy to promote stewardship of clean water and a

healthy coastal ecosystem.
www.sdbaykeeper.org

Sundt Memorial Foundation

We’re proud to welcome and honor this local foundation, headquartered in La Jolla, and founded by local surfer Jon Sundt. Their mission is to influence the hearts and minds of kids by inspiring them to live their natural high and reject drugs. They produce and distribute Natural High DVDs for FREE, to every middle school, public and private, throughout the United States. The DVDs are currently being used in every state in the country. www.sundtmemorial.org

Friends of La Jolla Shores

This local group has spearheaded and completed two great projects at the south end of our beach – and if you haven’t already, walk down there and check out the MAP project and the children’s playground by the South comfort station. This year, we’re raising fund to support the completion and installation of J.J. the Whale life-sized bronze sculpture at the north end of the new playground. J.J.’s amazing story, as told by her Trainers and Veterinarian, will be etched on the seat wall, surrounding the Children’s Playground, for all to enjoy this fall. www.friendsoflajollashores.com

Thanks to all of you for making our outreach program a success! ■
