Welcome to the 14th Annual Menehune Surf Contest!

La Jolla Shores Surfing Association (LJSSA) is the proud sponsor of what has become an annual tradition for our surf club every spring: the Menehune Surf Contest at La Jolla Shores beach. The one day event has grown in size and stature to include 180 contestants in shortboard, longboard, and novice divisions for kids ages 18 & under. Several hundred spectators are expected throughout the day.

The goal of the contest is to nurture and celebrate surfers of all ages and abilities and provide a fun, safe, and competitive contest for all the entrants. Net event proceeds benefit local charities designated by our membership.

LJSSA club members volunteer hundreds of hours to ensure a successful event. We host a terrific

raffle and silent auction which allow us to raise funds and provide great exposure to our sponsors' surfboards, surf gear, and unique product and service offerings.

The surf club also hosts an art contest for area middle and high school students in the months before the surf contest. The winning artist's entry becomes the central design of our event t-shirts. (Last year's design is on the sponsorship form at top right on reverse side). The top 40 entries are selected to show at the La Jolla Riford Library.

We welcome any level of participation and sincerely appreciate your sponsorship and support.

We work hard to promote your company during the event and all year long. Please see reverse for sponsorship levels of exposure: logos on t-shirts, event banner, e-news ads, weblinks from our home page, event program ad space, and more!

About La Jolla Shores Surfing Association

La Jolla Shores Surfing Association (LJSSA) is dedicated to the celebration and preservation of our home break, La Jolla Shores. To this aim, we work alongside local planning groups including the La Jolla Shores Association and the San Diego Park & Rec. We support surfing, our beach, and the community by hosting our annual surf contest, educational outings, and beach clean-ups involving our members and friends. As a member of the Coalition of Surfing Clubs, our LJSSA team riders compete in surf contests throughout California. We support a range of charitable organizations with volunteers and annual donations. We are young and old, men and women, families and individuals, shortboarders, longboarders, swimmers, paddlers, and ocean-lovers. Please join us!

Charity Recipients 2014

We are proud to announce our 2014 Event Charity recipients. Our club members nominate and then vote for non-profit (tax exempt) organizations to receive our contest (net) proceeds. We focus on charities that support the environment, education, kids, and our local beach. 2014 recipients include:

Friends of La Jolla Shores: for the design and installation of an educational surfer's wall at the north comfort station in Kellogg Park
Junior Lifeguard Foundation to support the summer camps of the City of San Diego Junior Lifeguard Program

Natural High, an organization that empowers youth to find what they truly love to do - activities that inspire them to turn their back on drugs and alcohol, and live a drug-free life.

Scripps Institute of Oceanography to support the important research of the iconic 'Keeling curve', a 55-year record of rising atmospheric carbon dioxide levels.

Wounded Warrior Project, San Diego to promote surfing with veterans at the Naval Hospital clinic.
