## Get Ready for the 8th Annual Menehune Surf Contest! *From Stephanie Hoffman, Contest Director*

The past seven years have proven what this group of surfers can do when we all come together for the good of the community. The success of our annual surf contest and fundraiser is not possible without your efforts on the day of the contest, and I thank you ahead of time for your continued support and contributions.

**Please join us on Wednesday, April 9 for our Volunteer get together at the La Jolla Brewhouse at 6 pm.** We will review the responsibilities of each task force for the contest and distribute volunteer t-shirts for you to wear on the day of the event.

Member applications—for you adults—are available for pickup at Dave's truck (member fee \$35/non members \$45) to surf in our contest. It's a great way to earn year-long "bragging" rights in your age division! **Deadline for all applications is Monday, April 7.** For info: [stephanie@ljssa.org](mailto:stephanie@ljssa.org) or telephone 619.851.2299.

### 7th Grader wins Annual Surf Art Contest

Congratulations to our Grand Prize winner, 7th grader **Blanca Nunez** of **La Jolla Country Day school**, for her winning t-shirt design. Her creative art will be featured on our contest t-shirts this year. Blanca's art, together with 25 other selected pieces will be on display at the La Jolla Riford Library in the Youth Wing during the month of April. Visit our website to see Blanca's profile and the winning entries: [www.ljssa.org](http://www.ljssa.org)

### Proposed LJ Shores Lifeguard Tower and Storage Garage In Kellogg Park Parking Lot *by Simon Andrews*

**Update:** For anyone who cares about our beach environment, this project is coming down like a bulldozer! Though we all care deeply about the safety and welfare of all beach users, and want our lifeguards to have appropriate facilities and equipment, this project has been driven less by public safety concerns than by the same 'ol politics of patronage and favoritism, benefiting a few at the expense of the community.

**Call to Action:** On Thursday, April 3rd at 6:00 PM the La Jolla Community Planning Association (LJCPA) WILL have this item on the agenda for action: whether to approve or deny the city's request for an extension of time (EOT) for its Site Development Permit and Coastal Development Permit (which have lapsed due to lack of funding). This project was NEVER enthusiastically endorsed by the community, LEAST OF ALL by the people who use this environment the most, and are most intimate with day-to-day conditions at the Shores. **PLEASE ATTEND THE LJCPA MEETING** and request that the Extension of Time application be DENIED until acceptable changes have been made to the plans so that the project can be made safer, and with fewer negative impacts to our already heavily impacted beach environment!

### My Local Lineup La Jolla Shores Surfing Movie is Here!

The original movie, "La Jolla Shores: The Surf Community" by My Local Lineup screened at our Holiday Party is here! DVDs are now available for sale at Dave's truck for \$20 and soon for purchase on My Local Lineup's website at [www.mylocallineup.com](http://www.mylocallineup.com). In this film, one can witness the Shores' impressive capacity to handle a wide range of conditions, from ankle-high waves, to head-high surf like Big Wednesday. Catch local icon **Dave Mcleod** and others get in front of the camera to share their take on this remarkable beach break and tell us why they've decided to make the Shores their home spot.
